Community Advisory Group Outreach

24

Finegold Fam!
Earlier this year we shared the exciting news that we wanted to run a water line out to the old garden and the barn! A bunch of you donated and/or came out for a Finegold-style work weekend - and we did it! THANK you!!

We're gonna keep on trucking and will be taking the next step - fencing in the garden! In the short term, the fence will protect the water line and in the long-term it will allow us to start to revive the garden.

A safe place for a garden or orchard will expand the possibility for agricultural and ecological programming at the ranch, for community enrichment and potentially sustaining revenue.

Labor and machinery for the fence is all being donated (thank you AGAIN Sven Hickman and Ray Warner) and Jason Marshall is still leading the charge, but **the materials costs are around $5000**. We're asking the community to step up again and make this a reality - the donation info is below.

Tax Deductible Donations:

- By Check: Finegold Board of Trustees P.O. Box 34 O'Neals, CA 93645
- PayPal or Venmo "Finegold Trust"

Goal: $5000
That's just 50 generous folks donating $100 or 100 generous $50 donations!
Any amount will help us reach our goal!

And **keep an eye out for an invite to the work weekend!**
